BELLEFONTAINE RESERVE

Cognac Finished Five Year Aged

Mature bourbon notes, as well as complexity, length, and depth on the nose and palate. This batch has less fruit and more dried or stewed fruit notes, such as dried apricot, candied orange peel, and a hint of stewed prunes, as well as toasted oak, blanched hazelnuts, and honey. The cognac is not overbearing, but helps accentuate the dried and stewed fruit and nutty aromas. There is also a slight minerality in this year's version.
